

**GLOVE GUARD LP**  
 MANUFACTURING INNOVATIVE DESIGNS  
 WITH SAFETY IN MIND

## We've Gotcha Clipped!

The Glove Guard® clip is the original glove clip and the namesake of our company. Over the years our superior and diversified glove clip product line has proven to reduce hand injuries and glove replacement costs. All our listed glove clips include a safety breakaway. With our various sizes, attachment methods, and color options, we're sure you will find the perfect clip that meets your needs.

**VISIT [GLOVEGUARD.COM](http://GLOVEGUARD.COM) AND FIND THE CLIP THAT'S RIGHT FOR YOU.**

SAFETY HOOKS

## We Got you Covered with

### ATTACH-A-FLAP

Attaches to a variety of hard hats, 50+ UPF material, one size fits all, and is available in cotton and micro-mesh fabric.

### BRIM N' SHADE

50+ UPF material, ventilated rear flaps, available in orange and navy, and 9+ inches of neck protection.

TO SEE A FULL LIST OF OUR UVETO PRODUCTS WE PROVIDE PLEASE VISIT [GLOVEGUARD.COM/UVETO](http://GLOVEGUARD.COM/UVETO).

### KEWLLID® COVER

Fits 44-gallon trash can or 55 gallon drum, lid supports a variety of beverage coolers, consolidates your watering station, and features a trash receptacle for easy waste disposal.

### BOTTLECHOCK® Restraint

Completely restricts cylinder movement, provides quick cylinder change over, is available in a range of sizes, and its flexible design makes it a "snap" to place cylinders.

## How To Order

Because we only sell through distribution, you will have to contact your preferred safety supplier and mention our products by name for pricing and ordering details. If you aren't able to find a supplier, email us at [safety@gloveguard.com](mailto:safety@gloveguard.com) and we will find one for you. We have a dedicated staff who genuinely care and are ready to assist you!

## About Us

Glove Guard LP is committed to providing quality products that meet the basic needs of keeping up with required PPE. We believe in improving working conditions and the promotion of safety on the job site. Our simple tools with unique designs work to keep your PPE with you so that you'll have it when you need it. We manufacture products, but our aim is to never lose sight of people.
