

**GLOVE GUARD LP**

MANUFACTURING INNOVATIVE DESIGNS  
WITH SAFETY IN MIND

### Custom Imprinting

Increase your Return on Investment by promoting your business and safe working habits with a custom imprint or one of our nine Standard Safety Slogans! We can imprint on both sides of select clips.

### Return on Investment (ROI)

All of our products are designed to maximize ROI. Our glove clips have a proven history of reducing glove loss and hand injuries by as much as 86%! Imprinting on our clips with a safety slogan reinforces safe working habits to help accomplish safety goals.

### Shipping

Time is money and when you need a tool, you need it as soon as possible. Customer Satisfaction is our top priority which is why we always strive for fast and accurate shipping. Stocked blank products ship next day. Stand Safety Slogans ship 1-5 business days and custom imprints will ship within 7 business days of approved paper proof.

### Replacement Guarantee

If one of our products breaks while doing its job, contact us for a free replacement. We stand behind our USA made products and use the best materials and processes available to provide you a tool that will last.

### How to buy

Contact your preferred safety supply company or one from the partial list below. We only sell through distributors. So, if you have a problem finding one of our products, contact us for a distributor in your area.
